Life Expectancy	25 Years	Same

## Return on Investment (ROI)

See your own Return On Investment by downloading the ROI calculator at [www.jaliteusa.com/roicalculator.php](http://www.jaliteusa.com/roicalculator.php). Published by the EPA, this easy-to-use tool enables you to confirm the savings based on your facility's specific energy costs and number of exits. For example, a small facility with 50 conventional exit signs and a competitive electrical cost of \$0.12/kwh, is projected to **save \$3,488 every year!** Given a life of 25 years, the energy savings becomes **\$87,200** - assuming *no* increase in energy cost over that period of time.

## SIGN ACTIVATION

- A minimum of 5-foot candles (54 Lux) of unfiltered fluorescent light exposure is required on the face of the sign at all times of building occupancy.
- Unlimited reactivation throughout service life.

## MAINTENANCE

- Virtually maintenance free.
- Inspections should be performed in accordance with applicable codes and standards.
- To clean, use a non-abrasive cloth dampened with water.
- Do not use chemical solvents.

## CODES & STANDARDS

- UL 924 listed by the Underwriters Laboratory
- NFPA 5000
- International Building Code - 2003
- International Building Code - 2000
- BOCA National Building Code - 1999
- Uniform Building Code - 1997
- NFPA Life Safety Code 101
- Energy Star® listed
- OSHA 1910.37
- Standard Building Code - 1999
- California Building Code - 1999
- Department of Defense UFC

## INSTALLATION

Signs can be installed with or without an attractive architectural aluminum frame. Frames are available in silver or black and can be wall mounted, ceiling mounted, standout, and double sided.

## WARRANTY- 25 YEARS

Jalite is a limited liability company whose products are sold with the understanding that the buyers will test them in actual use and determine for themselves their adaptability to their intended uses. Jalite warrants to the buyers that its products are free from defects in material and workmanship, but limits its obligation under this warranty to replacement of the product shown to Jalite's satisfaction to have been defective at the time Jalite sold it. This warranty does not extend to any persons obtaining the product from the buyers. This warranty is in lieu of any other warranty, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose, and of any obligations or liability on Jalite's part. Under no circumstances will Jalite be liable for any loss, damage, expense, or consequential damages of any kind arising in connection with the use, or inability to use, Jalite's products. This warranty applies exclusively to UL924 Exit Sign and begins on the date of purchase.
